

Dear NHERI GSC Members,

We hope you were able to attend our September General Meeting! Dr. Tricia Clayton, Associate Professor of Civil Engineering from Wake Forest University and Co-PI of the NHERI@UTexas Mobile Shakers shared information about the mobile shakers, as well as current research on shaker research.

We hope you will register for our upcoming interactive Diversity, Equity, and Inclusion Workshop tomorrow, Friday, September 23rd, 11:00 am - 1:00 pm: https://bit.ly/NHERIGSC_DEI. Thank you to Maggie Webb and Harman Singh Chair and Vice-Chair of DEI Working Group for developing this workshop and to the volunteers who will facilitate it!

We look forward to you joining us on **October 14th**, for our next NHERI GSC General Meeting. Please remember our next NHERI GSC Executive Meeting will be next **Friday, September 30th**, and all are welcome: <https://utsa.zoom.us/j/9013659006>.
